

FOCIS in Europe 2016
Course in Advanced Basic and Clinical Immunology

October 17th-19th 2016
Pasteur Institute
Paris, France

Course directors:

Ignacio Anegon, MD,
INSERM-ITUN Nantes FCE, France

Terri M. Laufer, MD, PhD
University of Pennsylvania, Pennsylvania FCE, USA

Program

Monday, October 17

7:30am - 8:45am	Reception & Registration
8:45am-9 :00am	Overview of FOCIS and FOCIS Centers of Excellence (FCEs). <i>*Ignacio Anegon, MD, INSERM Nantes FCE, Nantes, France</i> <i>*Milena Hasan, PhD, Pasteur Institute FCE</i>
9:00am - 9:30am	Overview of the Immune System <i>*Abul Abbas, MD, University of California FCE, San Francisco, USA</i>
9:30am - 10:30am	Innate and innate-like lymphocytes <i>*Olivier Lantz, MD, Institut Curie FCE, Paris, France</i>
10:30am - 10:45am	Break
10:45am - 11:45am	Macrophages and other myeloid cells <i>*Alberto Mantovani, MD, Humanitas University, Milano, Italy</i>
11:45am - 12:45am	Dendritic cells <i>*Carlos Ardavin, MD, Centro Nacional de Biotecnología, Madrid, Spain</i>
12:45pm - 2:00pm	Lunch
2:00pm - 3:00pm	Antigen and immune receptors signaling <i>*Shiv Pillai, PhD, Massachusetts General Hospital FCE, Boston, USA</i>
3:00pm - 4:00pm	T Cell Activation and Costimulation <i>*Abul Abbas, MD, University of California FCE, San Francisco, USA</i>
4:00pm - 4:15pm	Break
4:15pm - 5:00pm	T Cell Subsets <i>*Carole Guillonnet, PhD, INSERM Nantes FCE, Nantes, France</i>
5 :00pm-6:00pm	T-B Collaboration <i>*Terri Laufer, MD, University of Pennsylvania FCE, Pennsylvania, USA</i>
7:30pm	Wine and cheese party

Tuesday, October 18

8:30am - 9:30am

B cells, Antibodies and Disease

**Shiv Pillai, PhD, Massachusetts General Hospital FCE, Boston, USA*

9:30am - 10:30am

Immune Tolerance and Regulation

**Abul Abbas, MD, University of California FCE, San Francisco, USA*

10:30am - 10:45

Break

10:45am - 11:45pm

Transplantation

**Petra Reinke, MD, Charité University FCE, Berlin, Germany*

11:45pm - 12:45pm

Autoimmunity

**Terri Laufer, MD, University of Pennsylvania FCE, Pennsylvania, USA*

12:45pm - 2:00pm

Lunch

2:00pm - 2:45pm

Allergies

**Kari C. Nadeau, MD, Stanford University FCE, USA*

2:45pm - 3:30pm

Immunodeficiencies

**Alain Fischer, MD, INSERM Hospital Necker, Paris, France*

3:30pm - 4:15pm

Break

4:15am - 5:15pm

Infectious diseases

**Alexis M. Kalergis, PhD, Universidad Catolica, Santiago de Chile, Chile*

5:15pm – 6:00pm

Mucosal Immunity

**Allan.Mowat, MD, University of Glasgow, Glasgow, Scotland, UK*

6:pm- 7.30pm

Wine and cheese party

Wednesday, October 19

8:30am - 9:15am

Tumor Immunity

**Mario Colombo, MD, Italian National Cancer Institute, Milano, Italy*

9 :15am – 10 :00am

Omics in human immunology research

**Darragh Duffy, PhD, Pasteur Institute FCE, Paris, France*

10:00 – 10.15

Break

10:15am – 11:00pm

Cytofluorimetry and other techniques in clinical immunology

**Ola Winqvist, MD, Karolinska Institute FCE, Stockholm, Sweden*

11:00am – 11.45am

Immunotherapy

**Jeff Bluestone, PhD, University of California FCE, San Francisco*

11:45am

Visit Institut Pasteur FCE facilities and end of the course

(*Confirmed speakers; FCE: FOCIS Center of Excellence)

Local Organizing Committee

Ignacio Anegon, MD, INSERM, Nantes

Milena Hasan, PhD, Institut Pasteur, Paris

Secretary assistant. Brenda Evans, INSERM, Nantes. focis-europe2016@univ-nantes.fr

GOLD SPONSORS

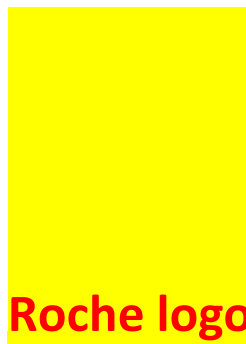

EUROPEAN CENTER FOR
TRANSPLANTATION SCIENCES
AND IMMUNOTHERAPY

IMMUNOTHERAPY
Labex IGO
GRAFT-ONCOLOGY

Miltenyi Biotec

SILVER SPONSORS

Effimune
